Electronic Waste Recyclers in the U.S. EPA Region 9

Geographic Areas of:

ARIZONA

CALIFORNIA

HAWAII

NEVADA

This list of recyclers and reuse facilities was gathered with the assistance of our partners with the Arizona Department of Environmental Quality, Alameda County Waste Management Authority, Materials for the Future Foundation, Silicon Valley Environmental Partnership, City of San Francisco Recycling Program, City of Los Angeles, City of San Diego, Hawaii Department of Health, and the Nevada Department of Environmental Protection. In listing these facilities the U.S. EPA is not endorsing them but merely providing them as a possible resource for disposing your computer waste. You are advised to contact the facility directly prior to bringing your equipment to them.
